Hi guys. In order for me to be efficient about my meetings / time, I generally need to meet between 10 am and 2 pm. On Monday I have a meeting in CM Bonnin's Office @ Noon to 2 pm.

Next week Tuesday, Thursday, or Fri @ 10 am work for me.

Hi you two,

Cynthia and I would like for the 4 of us to meet Monday late afternoon to brain storm about the Grand Opening. Can that work? Thanks, Les
